PROFESSIONAL EXPERIENCE

Law Office of Jacob J. Aison *Albany, NY and Cleveland, OH • 2018 – Present*

Attorney / Founder (practice maintained alongside Matrix Pointe, 2019 to 2026)

- Closed 20 to 30 transactions for 6 to 9 small and mid-size business clients, including a cannabis processor and dispensary startup, automotive auction businesses, and commercial and residential real estate investors, covering acquisitions, financings, entity sales, and commercial leases.
- Built an AI agent for upstate New York residential and commercial purchase contracts that extracts deal terms with section citations, calculates critical dates under NY General Construction Law, flags risks against residential and commercial playbooks, and drafts approval letters and client communications for attorney review.
- Represented the buyer in a $4.5M asset purchase of a family-owned last-mile delivery business ($3.5M cash, $500K seller note, $500K earn-out), conducting due diligence, drafting the asset purchase agreement and ancillary agreements, negotiating the indemnification cap, basket, and $450K escrow, and managing closing.
- Represented the sellers in a $6M sale of an 80% interest in an operating adult-use cannabis dispensary in upstate New York ($4M cash, $1M buyer equity, $1M earn-out), structuring the deal around OCM ownership and true-party-of-interest requirements, drafting a membership interest purchase agreement contingent on written OCM approval with a two-stage closing, and running a pre-diligence compliance audit.
- Represented lenders and borrowers in commercial financings, advised startups on capital raising and securities law compliance, and counseled businesses on trademark and copyright matters.
- Drafted and negotiated leases, loan documents, and operating, vendor, services, licensing, and non-disclosure agreements, and advised on business formation, transactional structuring, and governance.

Matrix Pointe Software *Cleveland, OH • Nov 2019 – Aug 2026*

Senior Client Services Attorney (2022 – 2026); Client Services Attorney (2019 – 2022)

- Served as final legal reviewer of client contracts before execution and drafted SaaS and service agreements for federal, state, and county agency clients.
- Co-directed security and data privacy compliance reviews, including federal criminal justice data security (CJIS) standards.
- As legal subject matter expert, built the statute and charge code libraries and drafted the court and charging documents built into the system.

- Supported pre-sales demos and RFP responses for government buyers, and regularly fed client requirements back into product development.
- Led or co-led 30+ implementations as the client's primary contact, including a $4M, 18-month, 500-user rollout for the U.S. Attorney's Office for D.C. (Superior Court Division), a 14-county Vermont statewide deployment, and 8 civil section implementations for the Ohio Attorney General's Office.
- Directly supervised a 3-person support staff for 4 years and managed the engineering and DevOps teams on each project.
- Built a workflow-mapping AI agent and integrated Claude and Microsoft Copilot into daily work over the final two years, speeding workflow analysis, system configuration, and training materials.

NYS Office for People with Developmental Disabilities *Albany, NY • 2015 – 2018*
Contract Manager & Policy Analyst

- Managed approximately $18M in federal grant funds under the NYS Balancing Incentive Program, reviewing and approving grant applications and awards and monitoring grantee compliance with state and federal regulations.
- Wrote the policy manual for Care Coordination Organizations/Health Homes and worked with the NYS Department of Health on drafting OPWDD regulations.

The Margolis Law Firm *New York, NY • 2009 – 2011*
Legal Assistant / Paralegal
